## Book of the Week

The Thirteen Treasures have become the Thirteen Curses. When fairies stole her brother, Red vowed to get him back. Her brother will be returned - but only if she can find the thirteen charms of Tanya's bracelet that have been scattered in the human world. Returning to Elveden Manor, Red is assisted by Tanya and Fabian and a desperate hunt begins. Soon they make a shocking discovery. The charms now have twisted qualities of the thirteen treasures they represent... and the longer they are missing the worse the consequences will be. Can Red, Tanya and Fabian find all the charms?

## Book of the Week

The Thirteen Treasures have become the Thirteen Curses. When fairies stole her brother, Red vowed to get him back. Her brother will be returned - but only if she can find the thirteen charms of Tanya's bracelet that have been scattered in the human world. Returning to Elveden Manor, Red is assisted by Tanya and Fabian and a desperate hunt begins. Soon they make a shocking discovery. The charms now have twisted qualities of the thirteen treasures they represent... and the longer they are missing the worse the consequences will be. Can Red, Tanya and Fabian find all the charms?
